

# Mintage for novel authentic cuisine in town

Posted on

The Mintage, a family restaurant with authentic Sri Lankan and foreign cuisines, opened its doors to the public. If you are curious and observant, you will notice that things are not always what they seem, as Mintage creates a space that is full of surprises.

Two talented chefs will serve any kind of the freshest local and international meals including sea food and other special bites. Steamed rice with fried curry leaves, caesar salad, vegetable spring rolls, hot butter mushrooms, prawn salad rolls, crispy battered fried prawns and crispy fried chicken wonton are included in the menu. Mintage is the ideal place not only for family functions, but also for conferences and corporate events.

All food is prepared without MSG or any other artificial flavours. It is the unique feature of

Mintage where natural food of authentic value is provided.

Ample parking space at the easily accessible Kinsey Road and familiar cordial service of the staff will enhance your dining experience.
