Mobitel and HMD Global, the Home of Nokia phones, wrapped up their season of the special promotions of Nokia Android devices with a competition. The buyers of new Nokia 2, Nokia 3, Nokia 5, Nokia 6 and the Nokia 8 phones who had entered the competition were rewarded with prizes and giveaways. The Grand Prize of the draw was a cash prize of 1.5 million rupees as well as many other prizes and giveaways.

During the promotional period 16 Nokia phone buyers who had activated their Mobitel SIMs on their new phones, won TVS Apache Motorbikes.

In addition, all customers who purchased Nokia phones were given a free Mobitel bundle of Talk Time and Data, during the promotional period.

Mobitel will continue to build partnerships with mobile brands to offer its customers smartphones to enhance their lifestyles.
