Sifani jewellery with Touché designer wear collection

Setting forth an exciting start to Sifani's series of events for the year 2014, 'A Morning At Sifani' was held at Sifani Gallery. The event showcased the beauty of Sifani jewellery, which were matched with the latest designer wear collection by Touché and Paradise Road (PR). The invitees were able to experience the designs firsthand and learn more about the quality of the two brands, which are created with much elegance.
