Mothers’ day celebrations at Park Street Hotel

Posted on

Special events were held at The Park Street Hotel to mark Mother’s Day where five lucky winners celebrated the day with the most special person in their lives. A beautifully decorated restaurant with scrumptious food and courteous service was the order of the day. Mothers were given a red rose and a framed photograph of themselves and their children to keep the memories of this event alive. With the hotel team outdoing themselves providing great food and wonderful service the event was indeed a memorable one for the winners and their mothers.
