A chic ring crafted by Nimansé

Nimansé is an up and coming house of design in the Colombo jewellery scene. The brainchild of Nihili Senanayake, Nimansé, aims to cater to the fashion and design needs of the hardworking youth, dedicated homemakers and mothers as well as corporate women. Nimansé offers unique pieces of handcrafted silver jewellery

decorated with natural semi-precious stones. The collection exudes the brands dedication to sourcing fine material and finding a balance between modernity and tradition.

Each piece is adaptable, thus wearers are given the choice of a chic ensemble or a single style statement. Nimansé also offers bespoke design services where customers can make an appointment and get their design crafted into a beautiful piece of jewellery. Customers can purchase online, via facebook and instagram.
