Nivasie Developers and Sampath Bank formed a joint venture to offer flexible and affordable home financing solutions to their customers. The latest of their project is the Victoria Range Bungalows in Digana Kandy, which are reasonably priced holiday bungalows targeted at the discerning customer who needs a home away from home to spend a relaxing holiday. Several bungalow types are available to suit a range of budget. Special home financing solutions through 'Sampath Sevana' home loan scheme are arranged along with special discounts offered on the selling price for Sampath Bank customers.

Sampath Bank has several home loan options that facilitate the needs of every type of customer.
