NOLIMIT has completed its work on the refurbishment project of Ward 03 of the District General Hospital of Negombo. It is part of a series of service campaigns

carried out by NOLIMIT, which also included refurbishing and maintaining wards at the Maharagama Cancer Hospital, Colombo South Teaching Hospital and De Soysa Women's Hospital.

As part of NOLIMIT's CSR activities, Ward 03 was renovated and revamped at a cost of one million rupees with new fixtures and amenities. Among those who graced the special occasion at the completion of this work included Ven Kondahamulle Gnanasirithissa, A K K Alawatte, Divisional Secretary, Dr C J Ian, Chairman – Hospital Development Foundation, Dr A R M Thaufeek, Medical Superintendent of District, General Hospital, Negombo and Dr W M Lal Anurasiri, Deputy Medical Superintendent.

M H M Jaufer, Operations Manager of NOLIMIT said, "continuing our CSR projects, we have been on a drive to revamp and refurbish institutions of health care in Sri Lanka. To date, we have replaced key areas on these wards and some general public areas with all the facilities. As a corporate institution we prefer to support projects that will make a greater difference in the lives of many people."
