

Noritake stretching to bridge the demand

On the heels of its presentation of hottest designs at the concluded CHOGM and the expanding demand for Noritake tableware, Noritake Lanka Porcelain is set to open its state-of-the-art Flagship Showroom at 77, Dharmapala Mw, Colombo 7 (Pittala Junction) very soon.

“The Flagship Showroom design concept is exclusively handled by the Noritake parent company in Japan, and apart from the display of the latest and innovative trend setting designs it will also facilitate the customer with product knowledge, historical data of the Company and will conduct awareness programmes to new life starters in the proper and best use and arrangement of tableware for occasions,” said Kumar Wickram Jayaweera, Manager (Marketing and Sales) – Noritake Lanka Porcelain.
