The Olympus Plaza Hotel

Olympus Plaza Hotel has made state-of-the-art additions aimed at upgrading the hotel’s facilities while ensuring a luxurious holiday experience to all its guests.

The upgraded and newly added facilities include 14 luxury rooms, the Ares Gaming Zone––a play and a gaming area, Delphi Cinema, Arena Terrace on the rooftop for private parties and BBQs and Grand Olympia––the ballroom and convention centre.

The hotel now has 44 luxury rooms in total to provide maximum comfort. All rooms have private balconies from which the overlooking peaceful picturesque mist wrapped blue mountains could be viewed.

The new ballroom equipped with multimedia facilities is available for weddings as well as conventions and seminars. The Grand Olympia can serve up to 200 pax.

Guests can now watch the latest 2D and 3D movies at the Delphi Cinema which can accommodate around 24 guests while the Ares gaming zone is especially designed for kids and teenagers with a play ground and a modern digital gaming zone.

The hotel also facilitates outdoor activities such as camping, trekking and sightseeing for small groups of 9–15 people.

Commenting on the speciality of the Hotel, Chandrani V Samayadasa, Managing Director said that the hotel’s uniqueness can be attributed to the warm and welcoming service provided by the staff. “The hotel is equipped with the best chefs where there is no question about the quality of food. Since this is a family oriented business, we are always there to help our guests. If they have any queries, they can directly contact us where we will make sure that they are provided the best service.”
