

Paradise Pools for every budget and garden

Posted on

Paradise Pools offers above ground swimming pools for every budget and garden size. Manufactured by Intex, a manufacturer of quality products, each pool is equipped with a water filtration system eliminating the frequent need to change water. Paradise Pools are also provided with full line accessories by Intex, which include cartridges, pool covers, maintenance kits, volley ball nets to give consumers a fun-filled swimming experience.

Above ground pools are more advantageous, as there is no construction required. Have all the fun of a swimming pool for a fraction of the cost with easy assembling, portability, storage and low maintenance.

Even families with toddlers can opt for an above ground pool, where pools with a 2.5 feet depth are available for customer's convenience.
