

Perpetual Grace Collection from Colombo Jewellery Stores

Colombo Jewellery Stores (CJS) launched a new collection of elegant and exquisite jewellery, named 'Perpetual Grace'. The collection was inspired by the legacy of the founder of CJS Thaha Cassim's passion for the magnificent horses whom he bred and raced in the early 20th Century, and in particular Golden Buckles, his prize-winning steed. The new collection was launched at an elegant themed event graced by the Managing Director of CJS, Akram Cassim, and CJS Brand Ambassador and award winning Bollywood movie star, Jacqueline Fernandez, as well as clients of CJS and others.
