Romance at Rondholee Luxury Resort

Posted on

Randholee is a resort surrounded by misty mountains and gorgeous views.

The hotel offers wedding couples a special honeymoon package. Couples will be welcomed with fresh floral garlands followed by a private candle lit four-course dinner served by the pool in a “tree top hut”. There is a choice between a Champagne Breakfast or Dinner with Sparkling Wine. A room full of romance awaits couples with a fresh rose petal covered bed, a romantic bath with scented water, perfumed candles and unlimited liquor or strawberry coated chocolates. At the end of their stay, couples will recieve a memorable photographic souvenir. In order to refresh their wedding day memories at Randholee, the staff have arranged a first anniversary dinner and will offer special concessions on repeat visits.
