An exciting range of natural make-up infused with island minerals

Spa Ceylon, the world’s largest luxury Ayurveda chain launched a unique range of natural make-up infused with island minerals, caring plant oils and hydrating fruit butters. Available in exotic shades, the collection is inspired by the tropical beauty of Ceylon.

Created to suit Pan-Asian female skin tones, the range includes over 70 shades of fashion colours for face, cheeks, lips and eyes with the option to create more than a 1000 customisable colour palettes. True to their natural brand promise, all the products are 100 per cent vegetarian, free of paraffin oil, paraffin wax, silicones, animal fats and other chemicals commonly found in synthetic colour cosmetics.

Available in a choice of convenient compacts, Spa Ceylon’s Mineral Two Way Cake Face Colour comes in four skin identical shades of pure minerals. Spa Ceylon’s Mineral Face Powder is also available in four pure mineral shades formulated to provide smooth coverage with ease and consistency. The range also includes six exotic Spa Ceylon Mineralised Blush-on compacts enriched with Rice bran and natural minerals in a lightweight formula that glides onto skin and enhances facial contours with sheer colour.

Spa Ceylon’s Natural Lipsticks are presented in 14 colour-rich long-stay natural formulae, each blended with Rice bran, Olive, Jojoba, Castor, Natural plant waxes and Pure beeswax to help nourish, moisturise and protect lips while naturally protecting from the sun with an SPF factor of 10+. While the range of all-natural Spa Ceylon Almond Tinted Lip Balms come in six natural shades to colour, care and protect lips prone to extra dryness.

Eyes are all the focus with Spa Ceylon’s Mineralised Eye Shadow collection in 30 shades enriched with Rice bran and natural minerals, offering an array of textures from matte to satin to frost to shimmer and perfect for creating a variety of looks for both day and night. The customised colour palettes can also be encased in a choice of luxurious palace art compacts.
