

Sampath Siriwardena, General Manager - Galadari Hotel and Pravir Samarasinghe, CEO - Overseas Reality (Ceylon) ceremonially open the car park

The Galadari Hotel and the World Trade Centre (WTC) successfully completed their first ever access link that connects the car parks of both parties concerned. This will enable ample car parking facilities for customers of WTC as well as the guests of the Galadari Hotel.

Saliya Hapugalle, Chief Engineer of the Galadari Hotel and Indradeva Mendis, Senior Manager Facilities Management of Overseas Reality (Ceylon) were appointed as Project Coordinators. The project was completed in one month and seven days. The access link will connect the two car parking facilities so that it could be mutually shared.
