

Siam House Celebrates 18years

Siam House

Pioneers in serving authentic Thai food to Sri Lanka, Siam House celebrated its 18th anniversary recently. As part of its celebrations, it organised an 18-day promotion for customers, which included daily prizes and a raffle draw. Five winners were selected from the grand draw and received their prizes at a special prize giving ceremony held at Siam House. The event was attended by distinguished guests, invitees and the staff of Siam House.
