Sky Lounge adds glamour to The Kingsbury

Posted on

The bar and the centre piece of the new Sky Lounge

The opening of Sky Lounge atop the roof of the Kingsbury Hotel seemed like adding the final touches of elegance to an already grand edifice. And to a large extent this is the feeling, the invitees to the launch of Sky Lounge would have taken away with them.

With the Indian Ocean and the bustling city of Colombo offering panoramic views, your sense of being surrounded by specialists in chill-out lounge experience is

enhanced by the signature features of Sky.

The eclectic music selected by discerning DJs, the range of drinks from premium beverages to signature cocktails specially created for a relaxing time out with friends or colleagues, and if you are peckish, a carefully selected menu of delicacies to try from.

Open daily from 6 pm to 1 am on the roof top of The Kingsbury, Sky Lounge gives you the vibe of a club with the congeniality of a bar. With promises of excitement and fun, Sky Lounge looks set to become the epicentre of Colombo nightlife.
