

# SMART Data Plans By Mobitel

Posted on

Mobitel introduced the all new SMART Data Plans enabling customers to use their smartphones as a dongle by linking it with a laptop or a computer to access the internet.

Data plans are now available with a one day data plan at Rs 20, which allows the user 100 MB of data to surf the internet while the seven day data plan for Rs 75 enables 200 MBs. The 30 day plan allows the user 1 GB of data at Rs 299 and 3 GB of data at Rs 799.

These packages can now be activated by sending an activation SMS to '7678' with the following respective codes: one day data plan activation code: D20, seven day data plan activation code: D75, 30 day 1 GB data plan activation code: D299 and 30 day 3 GB data plan activation code: D799. The uplink/downlink speeds on these plans are up to 1 Mbps.
