Spa Ceylon continues to expand its global footprint and has opened a 4,000 square feet store and spa in Jubilee Hill, Hyderabad, India.

The opening ceremony was attended by celebrities including Indian film star Catherine Tresa. In true Spa Ceylon style, the new store and spa is laid across two floors and accommodates up to 14 guests, providing their signature rituals in luxurious comfort.

This is the brand's fourth location in India and further expansion in Hyderabad is planned with the addition of up to four more locations. Speaking at the ceremony, Shalin Balasuriya, Director and Co-founder, Spa Ceylon, predicted a successful future. "Given the already strong demand for Spa Ceylon's products and services among high-end Indian consumers, we are confident that we will be very successful in this city," he said.

"We hope to reach the big milestone of 100 stores internationally by 2018, expanding rapidly over the next two years to be present across 15 countries in Australasia," added Shiwantha Dias, Co-founder and Director.
