The Company has plans to launch over 20 outlets before the end of the year, operating single brand retail outlets under their own brand name. Locally, Spa Ceylon will be expanding to five more locations from its current 14 outlets by December 2013. The five new spas and boutiques will be located in key tourist hubs. The launch of this luxury brand into the international market will cover not only distribution but shop in shop business. With this foray into the international market, Spa Ceylon is poised to stand head-to-head with other renowned global
