The Bayleaf, The Commons Coffeehouse, Park Street Mews Restaurant, Curve, Colombo Fort Café and Harpo's Pizza Parlour Nugegoda are all part of the 'Summerlicious' promotion aimed at the holidaymakers from overseas this summer. The promotion runs from the middle of June until August.

The season brings its own special recipes, with light hearted dishes and cool drinks to enjoy

with friends, family and visitors. The promotion includes colourful salads, healthy seasonal juices, fruity desserts and cocktails, and a lineup of quality live music.

It's all about enjoying life's simple pleasures, with alfresco dining at the Park Street Mews Restaurant, Curve and Colombo Fort Café, also garden dining at The Commons Coffeehouse and The Bayleaf.

The Bayleaf will feature a choice of salads, *cicchetti* antipasti, light pasta dishes and desserts. Fusion dining is the special at Park Street Mews Restaurant. You'll find Mediterranean dishes with local highlights at Colombo Fort Café, and chilled coffees, frappés, smoothies and a choice of fun light dishes at The Commons Coffeehouse. Harpo's Pizza Parlour Nugegoda will offer a range of summer pizzas and pastas, plus fresh juices and a delightful new range of dessert pizzas. Curve, a trendy bar offering fresh homemade ice cream and tapas will be hosting live jazz, funk, country and pop music from Wednesday to Saturday each week.

"We bring back our 'Summerlicious' promotion each year to give everyone a break from the mundane and invite them to enjoy life - it's all about food, drinks and music, sending happy vibes for all to enjoy," says Harpo Gooneratne, Managing Director of Harpo's Cafes and Restaurants.
