

Suriya: Embracing Tradition and Contemporary

Posted on

Elegant and signature home decor.

Discover a collection that brings together heritage and contemporary furniture and décor, whether it is for indoor or outdoor at Suriya.

Featuring novel pieces that are carefully handpicked to adorn living spaces, Suriya offers a vibrant collection of antiques, décor, and elegant furniture.

As a customer browses through the store, serene Buddha statues, traditional masks, terracotta sculptures, carved wooden furniture, and antique reproductions, will attract their attention. While the extensive portfolio includes Suriya's signature furniture range, they also manufacture customized furniture, creating distinctive and exclusive designs for their clientele. These esthetically pleasing pieces are ideal for creating beautiful interiors.

A range of novel items to adorn living spaces.

Suriya also features a range of household linen including cushion covers, table mats, curtain fabrics and upholstery in vivid patterns and shades. An extensive collection of outdoor décor is also available and features elegant sculptures and other garden pieces. Upon visiting Suriya, one can definitely witness a plethora of Sri Lankan arts and crafts that reflect the heritage of Sri Lanka.
