Swatch launches new product range

Posted on

Swatch has launched its newest timepiece collection, the Scuba Libre. The watch is positioned not just for divers, but for everyone as they engage in day to day life. The Scuba Libre collection, however, is ideal for divers and other water fans with bold indicators in high contrast colours to be easily visible underwater, rotating bezels and snug silicone straps.The newly launched models include Blanca,

Whalebone, Soundowner, Clownfish, Cuttlefish and Stormy among others. The new range is availabe at W A De Silva showrooms.
