Lightning of the oil lamp at the relaunch of Tea Tang

For the discerning connoisseur of tea, Tea Tang's cozy boutique at the Liberty Plaza Shopping Complex has been renovated, refurbished and relaunched to offer its esteemed customers the perfect ambience with a wider range of products in newly designed packaging. From humble beginnings, over a period of 35 years, Tea Tang has grown to be one of the most sought after names in the niche segment of the Sri Lankan Tea market.

You can select from the traditional loose leaf Black Tea to Tea Bags, Green Tea, Flavoured Tea, Herbal infusions and a wide range of gift items for that special moment. Tea Tang takes pleasure in inviting you to savour and 'rediscover the tradition of tea' with that personal touch of their experienced staff who have a passion for tea.
