The store in Ja-ela

The Factory Outlet opened its doors in Ja-ela within the premises of K-ZONE, which is also home to a mélange of other stores. The latest store was opened after identifying the trending patterns and designs of the residents within the Colombo to Negombo areas and thereby striving to match their needs. At TFO shoppers can enjoy a hassle free experience, as the stores have been built in easily accessible locations. The interior is spaciouly arranged, giving an airy and uncluttered ambience that allows customers to do plenty of relaxed shopping.

TFO offers customers a pleasant surprise in terms of range and diversity by having a wide variety of fashion in the realm of clothing, accessories, and footwear for men, women and children. Specialising in casual and formal wear, TFO offers an

extensive selection of brands both local and international.

Operating under the concept of “Quality clothing for a lower price” they offer contemporary trends chosen especially by the TFO team. The fabrics are high quality, the stitching is exact, and the finished products are faultless.
