The Kingsbury celebrates Mother’s Day

Posted on

The sumptuous buffet spread

The Kingsbury organised a special brunch to celebrate this year’s Mother’s Day.

Other than a sumptuous buffet and a spectacular view, the brunch also offered families to photograph themselves, capturing a beautiful memory to take home with them.

Special arrangements were made so mother’s could enjoy themselves leaving the kids to have a good time. Face painting, magic balloons and other fun activities were organised at a kids corner specially created for the day.

To add more cheers and laughter, an unlimited supply of bubbly was available to toast to the occasion. And the infinity-edge swimming pool was also made available

to the families enjoying the brunch.
