The Palms Beruwala

The Palms Beruwala was awarded the certificate of Excellence by the TripAdvisor for the year 2012.

The Palms Beruwala is a place for those who want to spend an idyllic festival holidays by the golden sands and the aquamarine beach. This sprawling resort is in the coastal city of Beruwala, engulfed by the beautiful coral reef and the breathtaking underwater marine life.

The hotel has 100 modern well designed rooms with all modern amenities, including exclusively designed suites. The newly constructed suites were designed to ensure a relaxing atmosphere for guests. The hotel has a specialty sea food restaurant and a well equipped Bar, with plenty of leisure activities, along with the traditional New Year festivities, games and sweet meats.

A stroll through the hotel can be pleasant, while sweeping green palm trees welcome guests with soothing water cascades. The distinctive design also means that the hotel's rooms all open out to the shimmering ocean.

The soothing breeze, the swaying palm trees and the gentle waves surely offers

guest an enjoyable experience.
