The pristine and contemporary interior of the Salon

Uptown Glamour combines both a hair and beauty salon and a spa and is located in Colombo. The proprietors of Uptown Glamour, originally from London, designed it's spa with the client's every need and comfort in mind.

They offer day spa treatments giving you the opportunity to relax and enjoy in an environment of friendly, nurturing staff from the Receptionist at the front desk to the Spa Therapist.

The Spa was opened two and a half years ago and is one of the most modern hair salons in the country and is fully equipped for hair and beauty and day spa treatments.

Open seven days a week, Uptown Glamour is complete with a contemporary and pristine interior, highlighted by its plush design for comfort. Its highly qualified staff ensures that clients receive the utmost care and attention. A place you must visit where you will find a menu that explains the treatments and staff that can answer any question in detail with an excellent customer service!
