Some of the room amenities supplied to hotels

Venture Hotel Supplies is a business dedicated to supplying guest room amenities for various hotels both locally and internationally. It has developed a comprehensive range of products to offer guests staying at hotels a refreshing and relaxing experience.

Items imported are now turned out locally in Sri Lanka using natural resources and discarded items. Its collection of amenities includes shaving kits, dental kits, laundry bags, paper bags, body lotions, dripmats, loofah pads, soap boxes, shampoo, cake boxes and a vast array of accessories such as pens, notepads and other stationery items for guests. Each product is unique in design and of high quality and nourishes the skin, body and soul.The Company has supplied room amenities to hotels in Maldives as well as local hotels which include Aitken Spence

Hotels and Resorts, Hunas Falls Hotel, Elephant Corridor, Hilton Residence, Taj Group Hotels, Ceylon Continental Hotel, Galle Face Hotel and Cinnamon Lakeside. With plans to introduce new products to small, medium and large scale hotels in South Asia, Venture Hotel Supplies will participate at the Hotel Asia 2011 exhibition this year.
