Vision Care further expands its reach

Posted on

(L-R): Dr Chaya Samarasinghe, Consultant Eye Surgeon; Dasantha Fonseka, Chief Executive Officer, Vision Care Optical Services and Dr Nalin Rajakaruna, Eye Surgeon, Ragama Hospital, opening the branch in Wattala.

Vision Care unveiled its latest branch in Wattala, equipped to provide quality eye care solutions, along with branded products on par with international standards to infuse an innovative and modernized approach to ensure that customers receive world-class eye care.

The branch is located at Negombo Road, Wattala. Present at the opening were chief

guests Dr Nalin Rajakaruna, Eye Surgeon, Ragama Hospital, Dr Chaya Samarasinghe, Consultant Eye Surgeon and Dasantha Fonseka, Chief Executive Officer, Vision Care Optical Services. Vision Care also opened a new outlet at Medihelp Hospital in Horana. The company entered into a partnership with Medihelp Hospitals to enhance the hospital's eye care offering. Vision Care is focused on expanding its optical services to selected Medihelp Hospitals' locations, eventually covering all major districts around the country. Dr Prasad Pathirana, Eye Surgeon, Horana Base Hospital and Janaka Fonseka, Managing Director, Vision Care Optical Services graced the opening as the chief guests.

Both locations offer specialized services such as primary eye examination, refraction, contact lens assessment, eye pressure diagnostics, laser treatments, hearing aids and other related services.

Dr Prasad Pathirana, Eye Surgeon, Horana Base Hospital and Janaka Fonseka, Managing Director, Vision Care Optical Services cutting the ceremonial ribbon at the outlet at Horana Medihelp Hospitals.

Harsha Maduranga, General Manager, Vision Care Optical Services said, “Vision Care is expanding its presence geographically to empower people from all parts of the country to access its eye care solutions, products and services. We thank the people of Wattala and Horana for extending a warm welcome to Vision Care. Our services are now available for customers wishing to have their eyes tested or even to browse our wide collection of spectacles and branded sunglasses.
