

ck extent

Inspired by gladiator-style sandals, ck extent offers an easy yet sophisticated look. The focus of the watch is on the genuine leather bracelet - available in black, white or brown. The smooth case is offered in polished stainless steel, with a black or silver dial, or polished PVD gold with a silver dial. Available in sizes small and medium, and is finished with a discrete ck logo at 12 o'clock.

Inspired by the spirit of speed car races, ck visible, a sporty timepiece features a polished PVD black case and a black rubber strap. It is crowned with a black dial with shiny black hour and minute hands and luminous indexes in either white, red or green. Each watch is finished with a discrete ck logo at 12 o'clock and the date at 6 o'clock.

Combining polished stainless steel and matte black silicone, Calvin Klein Jeans (CKJ) Force is designed exclusively for men in the 2012 line. Both the ring and closed bracelet feature a stainless steel body that seamlessly encloses rings of black silicone. Measuring 16mm in width, the bracelet has a push button closing system for greater comfort. The ring, available in sizes 7 to 11, has a total width of 12mm.
