CKJ astound ring

W A De Silva presents a range of ck accessories namely, ck play, ck skirt and CKJ astound. ck play features a polished stainless steel case with a black, navy, silver or light blue dial, which is paired with either a rubber or polished stainless steel bracelet. Each timepiece is crowned with a rotating bezel and a magnifying glass over the date at 6 o’clock. Designed to mimic the soft curves of a woman’s body, ck skirt in lady styles presents a polished stainless steel or PVD gold case effortlessly enclosing the timepiece, deftly adding to its overall feminine design. Both ck play and ck skirt support a discrete ck Calvin Klein logo at 12 o’clock. Inspired by natural beauty, CKJ astound presents a distinctive material combination of polished stainless steel with either white or black crystal minerals. With a length totaling of 1200mm, the long necklace can be worn as it is or wrapped multiple times around the neck. The offering also features a set of three rings, available in sizes 5 to 9, as well as a set of 3 closed bangles, available in sizes extra small, small, and medium.
