Jetwing announced the latest addition to its unique villa collection—The Three by TPV, located in Ahangama. This luxurious and elegantly designed villa will feature high standards of hospitality.

The vision of partners Thomas, Patrik and Vadim, The Three was the result of a careful study of what makes the perfect atmosphere for rest and relaxation through extensive travelling around the world. With the intention of creating a place that combined luxury, design and a genuinely heavenly feeling of peace, The Three came into being.

Offering all guests a piece of tranquility and luxury living, The Three by Jetwing features nine suites gracefully decorated in white; with outdoor bathrooms overlooking a lush private garden. Located atop a hill, The Three also boasts an unbeatable view over the Indian Ocean from within the 60ft infinity pool.

“To us, Sri Lanka is a lovely place to live and by creating The Three, we wanted to combine Asian design, Scandinavian thinking, and Western standards into one experience of perfect harmony. Having a prominent brand as Jetwing taking over management of the property is in our eyes, is a step forward in the right direction” said Thomas, Patrik and Vadim in a joint statement.
