

# Wine Tasting at Casa Colombo

Posted on

Enhance your dining experience with Casa Colombo's 'Wine Tasting'. This is an exciting way for wine enthusiasts or individuals with a thirst for class to experience a world of wine to mix and match with your meal before choosing your favourite.

The sessions are conducted by the guests themselves having being able to pick a minimum of three or as many wines as they wish from the exclusive range of white and red South African Nederburg wine which is a product that has been crafted over two centuries. The wine tasting sessions have no specific date or time and are available every day except for public holidays.
