

ZAZA doubles up as a tea bar

The ZAZA tea bar

Casa Colombo is proud to present a tea bar with all the grandeur and elegance of an international tea bar. Zaza bar, a swinging pub/bar during the night, transforms itself into a soothing tea bar during the day which harbours a comfortable ambiance for a benefitting tea drinking experience. The array of offerings includes the customary flavours of Black and Green teas but the highlights are the white teas such as the Ceylon Silver Tips and their house blend 'Casa Chai', a fusion of Sri Lankan spices and Ceylon Tea. Freshly baked scones, mini sandwiches and other tea delights add to the charm of this tea bar which sits in a glass cube surrounded by swirling water where one can curl up in the ball chairs with a book, have a meeting with a client or have a good time with one's friends.
